Legend: M=Missed; L=Received Late

Note1: Certain balance figures may be slightly different due to not re-amortizing balances every month after an extra payment toward principal. Actual balances will be determined prior to final collection if necessary in any instance. Listed principal balances reflect amortization schedules.

Note2: 159 Fitness recently signed an amendment to their original promissory note to maintain the 17th of each month as their due date for payment. The due date was originally noted as the 17th on the schedule, but the 1st of the month on the note (conflicting dates). Due to the timing of the signed amendment, no late fee was assessed for payment due 6/17/2011. Between the time the 5/15/2011 invoice and 6/15/2011 invoices were sent out, the amendment was signed (thus changing the due date). Under the new note, late fees can be assessed going forward.

Note3: Invoices were not sent to Mama Dee's Kitchen after 4/15/2011, nor was payment received during the billing period. The State's Attorney's Office is currently in the process of collection on the loan.

Note 4: Since the Connexus note was re-written (4/15/2011), the County has begun receiving consistent monthly payments. Connexus was given a grace period for the first payment under the new note. Going forward under the new note, late fees can be assessed.
